Sterling's 1948 Catalog

January 24, 1948

To My Friends and Patrons;

Please accept this catalog with my very best wishes for your health and happiness for 1948.

I hope that we are in for another good year with our Farms, our Flower Gardens and our Vegetable Gardens.

Nearly all our Garden crops did well last year. Sweet Corn was wormy late in the season but was sweeter than honey. Sweet Potatoes were a fair crop and are eating fine up to now. Peas from the "Deep Freeze" are as fresh and sweet now as they were in June.

Our stock of Garden, Field and Flower Seeds are as complete as they ever were. Some items are higher in price and some are lower, but many are unchanged.

Please note that Ky. Blue Grass and Lawn Grass seed are much lower in price but are just as high in quality.

We have a large stock of Fordhook Bush Lima Beans and plenty of World Record Peas, our own Sterling Strain that we were short of last year.

We were finally able to get some of the French grown Fava Beans with pods 10 to 12 inches in length. We only have a few of them as the price is high. Try a few anyway.

Our Lawns should come out, after this heavy snowfall, in fine shape unless the Jap Beetle grubs are there. If they are, use plenty of Arsenate of Lead before they turn into Beetles the last of June. That will get the grubs.

Vigoro, applied this Spring, will give you a nice green lawn all summer. An application of Bone Meal in the fall will give the grass all the necessary elements to make the very best root and top growth. This is especially essential for grass in shade. Ask us for a set of Swift's Beauty Plans when you buy a bag of Vigoro.

Agrico is a good fertilizer for your trees and shrubs. Make a number of holes around the tree as far out as the branches extend and put a small amount of Agrico in each hole. Then pound the hole in and if there is proper moisture you will see the effects in more luxuriant growth in your trees and shrubs. We have a special Acid Agrico for your Azaleas, Rhododendrons and Mountain Laurel.

Thanking you for your patronage in the past and asking a share, if not all, of your seed and plant business for 1948, I remain,

Yours for better Seeds and Plants,

RALPH W. STERLING

P. S. I would like to take this opportunity to thank every one who remembered me when I was in the Eastern Long Island Hospital last March. Your beautiful cards, flowers, fruit and personal calls were a great help to pass those hours away. I will always remember the kind wishes of everyone. Thank you again.

DIRECTIONS

By carefully reading and observing the following directions, mistakes will be largely avoided, and your order can be filled more promptly.

Please use the enclosed Order Sheet and self-addressed envelope if possible. If you need more, let me know and I will be glad to send more to you.

Write your name, address and shipping directions plainly.

Always send the cash with your order, unless otherwise agreed upon. Money may be sent by P. O. Money Order, Bank Draft or Registered Letter. Stamps may be sent for amounts under \$1.00, but be sure to put in three-cent stamps, wrapped in waxed paper.

We pay the postage on all seeds sold by the pkt., oz. and $\frac{1}{4}$ lb. Quantities over that are priced net, to be shipped Parcel Post, freight or express, at purchaser's expense, unless otherwise stated.

If you desire your seed sent by Parcel Post, add 8c for the first lb. and 1c for each additional lb. of your order, allowing 3 lbs. extra for package. For amount of postage on plants see Plant Department. These rates are for anywhere on Long Island.

By pricing my seeds net, postage extra, you get your seeds delivered for less money than if I quoted a Postpaid price as the 8c per lb. extra would have to be counted in and added to each single lb. priced.

$\frac{1}{2}$ lbs. will be sold at lb. rates; $\frac{1}{2}$ bu. at bushel rates.

No charge is made for packing or packages.

NOTE—In all orders received before April 1st we include trial packets of different kinds of seed, the number of packets depending upon the size of your order. If you find any of these of particular value we would be pleased to hear of it.

If you cannot use this catalog or receive more than one, will you kindly pass it on to someone interested? Thank you.

NOTICE—I give no warranty, express or implied, as to the productiveness of any seeds, bulbs, plants, shrubs or trees sold by me, and I will not be in any way responsible for the crop. My liability in all instances is limited to the purchase price.

Dunraven, N. Y., July 29, 1946:—We have one of the oldest Summer boarding houses in the Catskills and my flower garden is quite a feature. The gladioli are just beginning to bloom. The few bulbs I got from you were gorgeous and the plants look promising, many sending up three and four blooming stalks. Therefore, I am pleased.—Mrs. O. S.

I grew the Queen of Colorado Musk Melon in my garden last year and found that they yielded heavy and the quality was better than any Musk Melon I ever grew. The melons were good in size and shape.

PEAS

THOMAS LAXTON, LAXTON'S PROGRESS, LITTLE MARVEL, CARTER'S DAISY and TELEPHONE are the gardener's favorites for table use, freezing and canning. Sow these five kinds together and they will follow each other through the season.

OUR WORLD'S RECORD is the best kind for market. We have our regular Sterling Strain this year. Don't fail to plant a few. Even though peas should not pay as a market crop, the vines make fine green manure for Cauliflower, Brussels Sprouts and late Limas. Spergon keeps the seed from rotting in cold ground and helps germination.

GRASS, CLOVER AND ALFALFA SEED

Prices liable to change without notice.

Terms strictly cash.

I make my prices just as reasonable as is possible consistent with the quality. It is the very last fraction of 1% in purity that costs money. I believe that it pays big returns, too, as it is truer in seeds than anything else that "the best is none too good."

If your land is sour and Grass and Clover does not do well as a rule, a little lime sown on top of the ground and harrowed in before sowing the seed would be a great help.

Have a Beautiful Lawn!

You'll find that it's really exciting to have a weed-free, velvety-smooth lawn . . . the kind that neighbors envy.

You must start with good seed. Our mixtures are made from high germinating seed in formulas to meet your needs.

But, it does take more than good seed to make a fine lawn. It takes complete plant food! We recommend Vigoro, complete plant food made by Swift & Company. It's balanced for grass.

A PRODUCT OF SWIFT
VIGORO
 COMPLETE PLANT FOOD

LAWN MAKING

Our Lawn Grass Seed is mixed from the very best grass seed, recleaned and free from weeds, and we sell many hundred pounds all over Long Island, as there is no better grade seed on the market.

Loosen the soil in which a new lawn is to be made to a depth of at least five inches, and lighten it with humus, compost or manure, if it is heavy and inclined to bake. Apply fertilizer liberally, either Sheep Manure, Bone Meal or Bovung, especially good for lawns. Use Vigoro on established lawns in early Spring and early Fall.

Sow in the early Spring when cool weather and ample rainfall will insure complete germination and a good start for the seedlings before hot dry weather comes. If seeding must be delayed, special precautions must be taken to prevent the ground drying out. Early fall is a very desirable time to seed, if moisture is sufficient.

See that the seed is well covered. Rake it into a new seed bed and roll so that the soil is firmed over the seed. Where seed is sown on an

old lawn, always cover it with a top dressing of sand or soil and fertilizer and rake in. Seed thrown on the top of hard ground has no chance to grow and will merely wash off.

No Timothy is ever used in our Lawn Grass Mixture.

PERENNIAL PLANTS

Our plants are best for your Hardy Border or your Rock Garden. They are grown from the choicest seed procurable and the most popular sorts. Take care of them and they will bloom for many years. Dig the bed deep, enrich with well rotted manure, keep clean and give protection in Winter. Nice plants, transplanted, well rooted. Top dress with Bone Meal, Sheep Manure or Bovung. Mulch with Peat Moss.

3 AGRICO Fertilizers

FOR BETTER LAWNS and GARDENS

Each of these three special-purpose AGRICO Fertilizers is made to do its own job and do it better than any all-purpose fertilizer could possibly do. Yet Agrico costs no more . . . is more economical to use . . . gives you more value, per pound and per dollar.

AGRICO FOR LAWNS, TREES & SHRUBS

Keep a lawn good by feeding it with Agrico every Spring and Fall. Use Agrico in rebuilding lawns. Also, feed your trees and shrubs. Use 30 lbs. per 1000 sq. ft. 5 lbs. \$.45; 10 lbs. \$.80; 25 lbs. \$1.50; 50 lbs. \$2.50; 100 lbs. \$4.50.

AGRICO FOR GARDENS

Use this special-purpose Agrico for flowers of greater health and beauty — and for larger yields of vegetables, richer in minerals and vitamins. Use 40 lbs. per 1000 sq. ft. 5 lbs. \$.45; 10 lbs. \$.80; 25 lbs. \$1.50; 50 lbs. \$2.25; 100 lbs. \$4.00.

AGRICO FOR BROADLEAF EVERGREENS

This AGRICO provides all needed plant foods for acid-loving plants, —also acidifies the soil, essential for best results. Use approximately 1½ lbs. per 100 running feet. 10 lbs. \$1.00; 25 lbs. \$2.00; 50 lbs. \$3.25; 100 lbs. \$5.25.

Real Estate Department

I have many choice lots and plots on my lists for sale. If you are interested in Eastern Long Island Real Estate, get in touch with me at your earliest convenience.

I am always willing to consult, advise or act as your agent if you are desirous of buying out this way or of selling property you own in this vicinity.

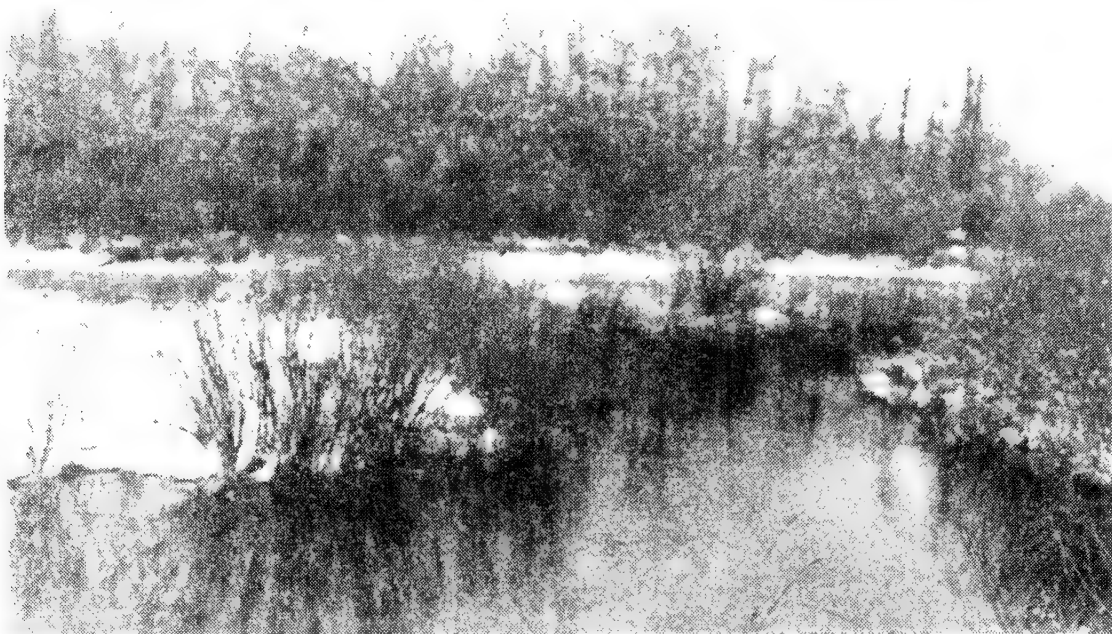

I am a Licensed Real Estate Broker and have been buying and selling Real Estate since 1926.

Why not put some of your surplus money into land this year? It will be something you can always enjoy no matter if prices go up or down.

NASSAU FARMS

I have one large lot with 74 ft. frontage on Bay Avenue and over 240 ft. in depth. This lot overlooks Peconic Bay and Broadwaters and faces the south, where the prevailing winds come from. Priced at \$1,000.00.

Plot No. 105, a four-acre plot of good soil, suitable for any crop. This plot has 70 ft. frontage on Bay Avenue and is over 900 ft. in depth.

A Winter Scene at Dickinson's Island

A plot with 25 ft. frontage on Bay Avenue and over 25 ft. on Baldwin's Creek is included with this 4 acre tract so one would have a good harbor for his boat. Will sell the 2 pieces for \$4,000.00.

100 ft. frontage on Bay Avenue on the east side of Plot 140. This plot is over 400 ft. deep with 100 ft. on Sterling Road and near Peconic Bay. It will be sold as one plot or divided as desired.

Five large lots on Lilac Lane. This property is clear land and over 200 ft. in depth. Your choice of any of these beautiful lots overlooking Baldwin Creek and Peconic Bay at a reasonable price. Ask me about them.

STERLING INLET AT NASSAU POINT

Three large lots at Nassau Point, Nos. 224, 225 and 226. These lots front on Wunnewetta Harbor on the west and there is good depth of water from these lots through a deep channel to Peconic Bay. Each lot has more than 100 ft. frontage on the water and over 300 ft. in depth.

Many oak trees cover the whole plot and there is a small pond in the center. The combination of high and low ground makes this plot one of the potential beauty spots of Nassau Point. The view from these lots includes Wunnewetta Harbor and Peconic Bay.

The three lots are to be sold in one large plot only, not separate, and I have priced them all for \$7,500.00. One-third cash, balance at 4%, if desired.

CARRINGTON PARK AT NASSAU POINT

I own 5 large lots near Horseshoe Cove and Wunnewetta Harbor. Four of these lots, Nos. 421, 422, 423 and 424, are located on the east side of Little Peconic Bay Road and are wooded, with good elevation, and I have priced them right. Take your choice at \$1,000.00 each, or the whole piece for \$3,500.00.

One beautiful large lot on the west side of Vanston Road. Lot No. 323 is covered with fine oak and cedar trees. Has good elevation and very near Horse Shoe Cove. Priced at \$1,500.00.

Eight lots north of Carrington Park. Lots No. 356 to 363 inclusive. These lots are high, nicely wooded and are near the water. Priced very reasonable. Ask for more details.

LONG ISLAND SOUND

2,000 ft. frontage on beautiful Long Island Sound. Most of it to the east of Duck Pond Road. High elevation, fine view, good depth. Priced at \$25.00 per front foot.

10 acres of land with about 500 ft. frontage on Long Island Sound. A beautiful 8-room house with all improvements is located on the highest spot. 2-car garage. 4 acres of the land is good farm land. A wonderful house with a wonderful view. Price and terms on request.

360 ft. on Long Island Sound at Southold. This beautiful plot has 450 ft. on Sound View Road and contains about 3 acres of land. Electric lights and telephone go right by the property and the bank is not too high. Ask for price.

HOUSES, LOTS, PLOTS, FARMS

Ten room house on New Suffolk Lane at Cutchogue. This house has hot water heat and all improvements, ready to live in. Beautiful landscaped grounds. Price and terms on request.

Thirty acre farm at Pine Neck, Southold. Good land. 700 ft. frontage on Goose Bay, suitable for development. Price on request.

Eighty acre Estate, half good farmland, half woodland, 600 ft. frontage on L. I. Sound. Large house containing 16 rooms, 6 bathrooms, 4 dressing rooms, improvements. Price is \$55,000.

Twenty-one acres on Mill Creek. Contains 6 acres farm land, 15 acres woodland and over 1,500 ft. frontage on beautiful Mill Creek. A wonderful opportunity for development. Price \$16,000.00. Terms.

53 lots on or near Mill Creek at Southold, L. I. These lots are very near the Town Beach at L. I. Sound, and not too far from Southold Village. They are nicely wooded and this should make one of the most attractive developments around these parts. The lots have from 75 to 90 ft. frontage and are 100 ft. or more in depth. Priced as low as \$600.00 for the inside lots, up to \$2,250.00 for the very best one.

We may have a map of this property later. Ask me about the property if interested and I will send you a map if possible.

Lot No. 82B at Nassau Point. This is a fine large lot at the end of the Point. Wonderful view and 100 ft. on Little Peconic Bay, makes this one of the best lots left for sale at Nassau Point.

15 acre farm at Peconic, L. I. Good land suitable for any crop. Wide road frontage and near L. I. Sound. Buildings fair. Priced at \$10,000.

The above properties are quoted with the understanding that prices may be changed or they may be taken off the market without notice.

I have other pieces of property on my list. Let me know what you are looking for and I will try my best to help you.

Keep Up the Family Gardens

The food and feed conservation program is one means of proving that the American people, whether farm, rural, or urban, can cooperate together voluntarily in a common undertaking, and make it a success. Having committed ourselves to aid the starving and homeless in Europe, it is incumbent upon us to fulfill these pledges in actual practice and not take a "let George do it" attitude. One of the most practical ways to conserve food is for everyone who possibly can do so to grow enough vegetables this year to meet the needs of his family in both fresh and canned form. This will greatly relieve the consumer demand for these products later on in the year.

Now is the time to begin planning for next season's garden. Fortunately, garden tools, spray rigs, fertilizers, seeds, insecticides and fungicides are all listed as being in amply supply. Every person who cooperates in this undertaking will be making a very real and substantial contribution toward maintaining and increasing world food supplies. A goal of 20,000,000 Freedom Gardens has been set for this year.

There is no doubt that the American public and farm families will respond just as wholeheartedly in this worthwhile program as they did under the impact of the war emergency.
